

CONFERENCE ROOM TABLES

ADDENDUM #1

*Issued: July 5th, 2022
#2022-028*

Questions Received June 24th, 2022

1. Will the configuration be a horseshoe design, or will they function separately?
 - a. Compact horseshoe typically, but may be arranged as a classroom on occasion (would prefer to have flexible functionality)
2. Do you have a basis of design for the tables, or a specific manufacturer in mind?
 - a. We are familiar with Haworth Planes, but will accept equal (approved equal)
3. Along with the provided documentation, what else could we provide to make your determination easier? (Photos, tech sheets, brochures, etc.)
 - a. Photographs of the table, technical or specification sheets that describe as much of the design and size of the table, brochure or some other descriptive document that describes how to use and assemble the tables
